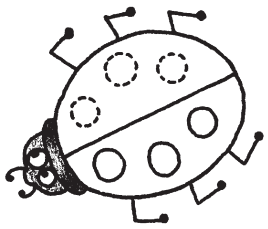
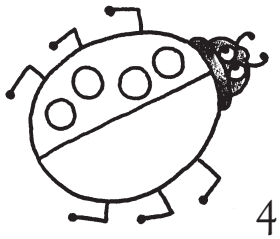
Spot the doubles

Draw the missing spots and write the numbers.



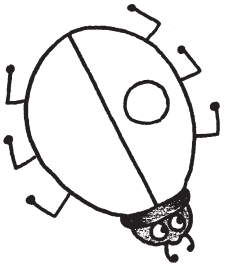
3 + 3 = 6

double 3 is 6



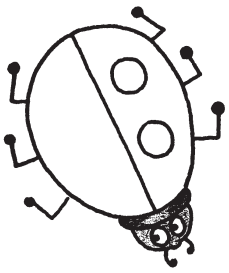
4 + ☐ = ☐

double 4 is ☐



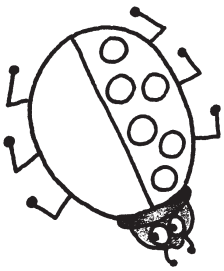
1 + ☐ = ☐

double 1 is ☐



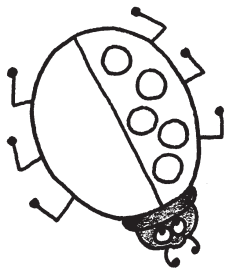
2 + ☐ = ☐

double 2 is ☐



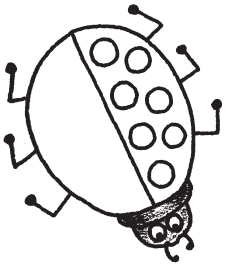
6 + ☐ = ☐

double 6 is ☐



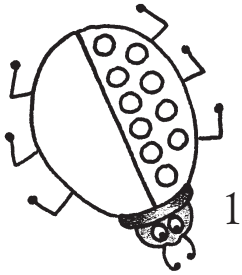
5 + ☐ = ☐

double 5 is ☐



7 + ☐ = ☐

double 7 is ☐

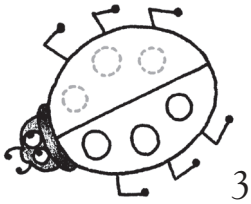


10 + ☐ = ☐

double 10 is ☐

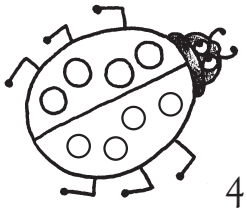
Spot the doubles

Draw the missing spots and write the numbers.



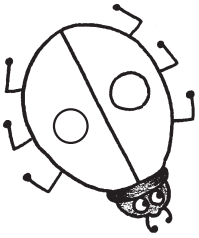
3 + 3 = 6

double 3 is 6



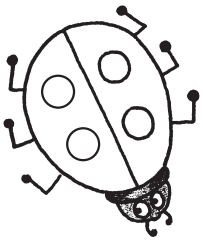
4 + 4 = 8

double 4 is 8



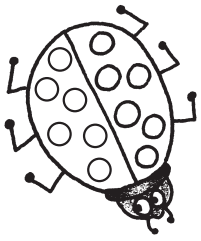
1 + 1 = 2

double 1 is 2



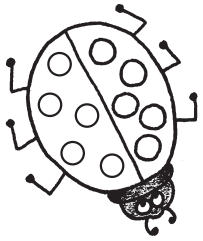
2 + 2 = 4

double 2 is 4



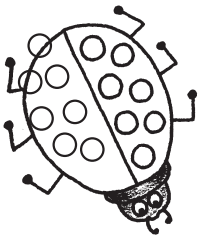
6 + 6 = 12

double 6 is 12



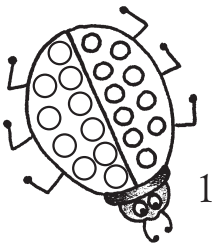
5 + 5 = 10

double 5 is 10



7 + 7 = 14

double 7 is 14



10 + 10 = 20

double 10 is 20

Encourage children to become familiar with doubles. These facts can then be used in other situations, such as "doubles plus 1."
