

Finding patterns

Find the counting pattern. Write the missing numbers.

12	14	16	18	20	22	24	26	28	30
----	----	----	----	----	----	----	----	----	----

Find the counting pattern. Write the missing numbers.

31	35		43				59		67
----	----	--	----	--	--	--	----	--	----

6	12	18					48	54	
---	----	----	--	--	--	--	----	----	--

100	200	300		500			800		
-----	-----	-----	--	-----	--	--	-----	--	--

75			60		50		40		30
----	--	--	----	--	----	--	----	--	----

Finding patterns

Find the counting pattern. Write the missing numbers.

12	14	16	18	20	22	24	26	28	30
----	----	----	----	----	----	----	----	----	----

Find the counting pattern. Write the missing numbers.

5	10	15	20	25	30	35	40	45	50
---	----	----	----	----	----	----	----	----	----

3	6	9	12	15	18	21	24	27	30
---	---	---	----	----	----	----	----	----	----

31	35	39	43	47	51	55	59	63	67
----	----	----	----	----	----	----	----	----	----

81	83	85	87	89	91	93	95	97	99
----	----	----	----	----	----	----	----	----	----

19	20	21	22	23	24	25	26	27	28
----	----	----	----	----	----	----	----	----	----

6	12	18	24	30	36	42	48	54	60
---	----	----	----	----	----	----	----	----	----

19	17	15	13	11	9	7	5	3	1
----	----	----	----	----	---	---	---	---	---

100	90	80	70	60	50	40	30	20	10
-----	----	----	----	----	----	----	----	----	----

100	200	300	400	500	600	700	800	900	1000
-----	-----	-----	-----	-----	-----	-----	-----	-----	------

58	55	52	49	46	43	40	37	34	31
----	----	----	----	----	----	----	----	----	----

75	70	65	60	55	50	45	40	35	30
----	----	----	----	----	----	----	----	----	----

42	38	34	30	26	22	18	14	10	6
----	----	----	----	----	----	----	----	----	---

It may be necessary to point out that some of the patterns show an increase and some a decrease. Children can see what operation turns a number into the next number in the pattern, and then perform the operation to continue the pattern.
