

Odd one out

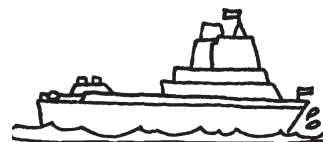

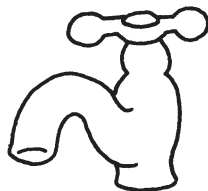

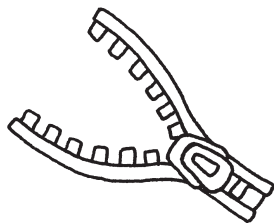

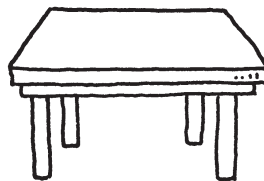

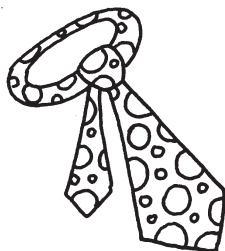

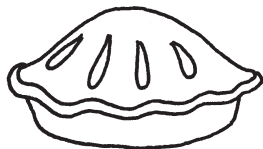

Look at the first picture in each row, then draw a circle around the picture that does **not** rhyme with it.

9

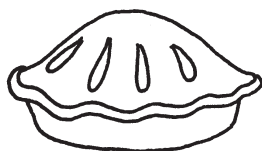

10

Copy these words by connecting the dots.

pie

cry

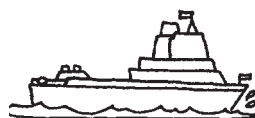

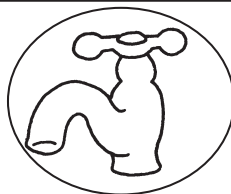

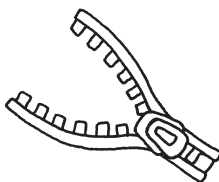

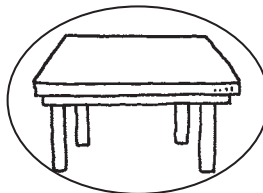

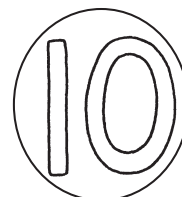

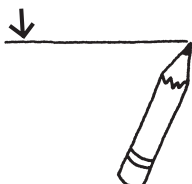

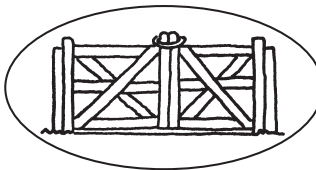

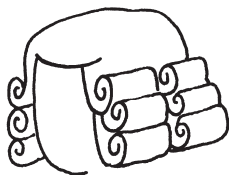

pie

cry

Odd one out

Look at the first picture in each row, then draw a circle around the picture that does **not** rhyme with it.

Copy these words by connecting the dots.

pie

cry

pie

cry

These activities are based on the vowel *i* and feature examples of several word families.

Ask your child to draw a circle around the picture in each row that does not rhyme with the first picture on the left. Handwriting practice is provided for two words that rhyme but do not have the same spelling (*pie* and *cry*). Talk about this, emphasizing that some words still sound the same even though they don't look the same.
