half past 5

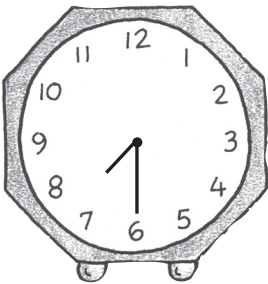

half past 1

6 o'clock

Draw the hands.

half past 7

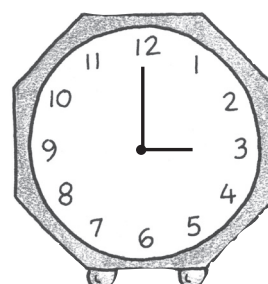

half past 2

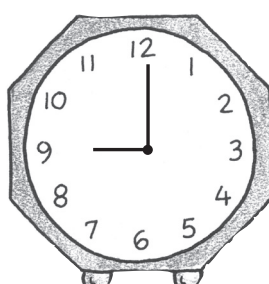

10 o'clock

half past 11

3 o'clock

9 o'clock

The lengths of the clock hands show that times such as half past 12 and 6 o'clock are different. Remind children that the long hand is the minute hand and the short hand is the hour hand.
