

Money

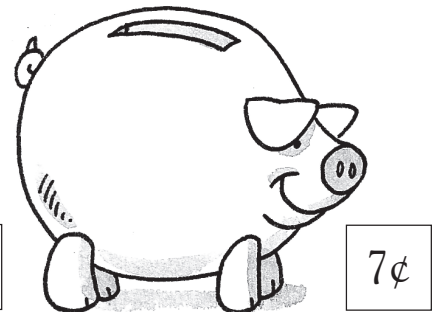

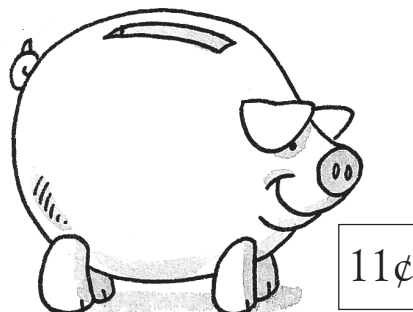

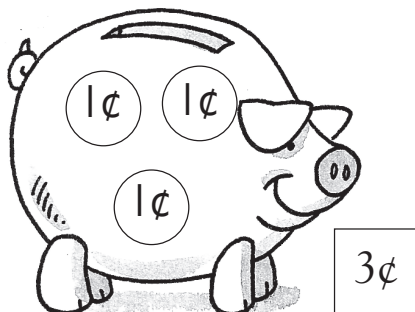

Which coin?

How much?

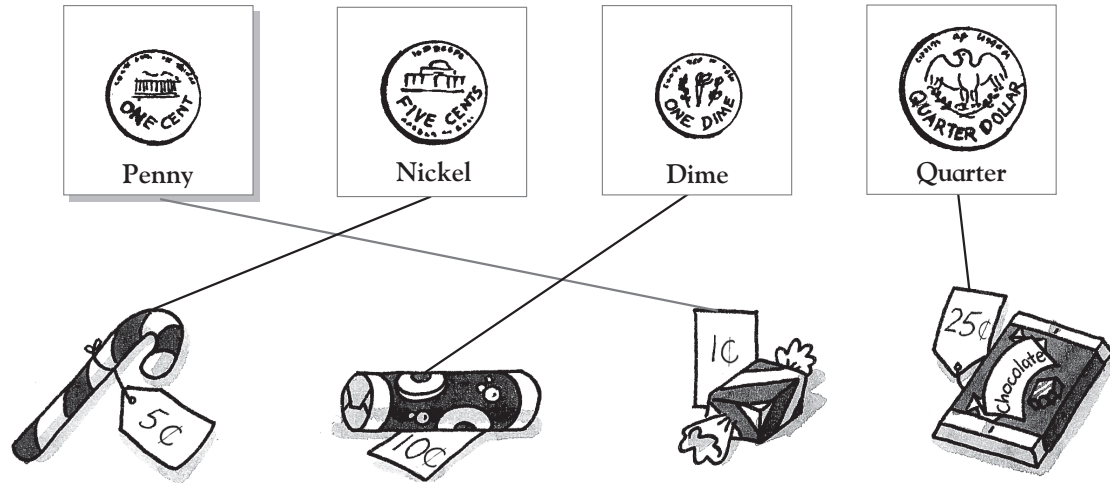

Put the correct change in the piggy bank.

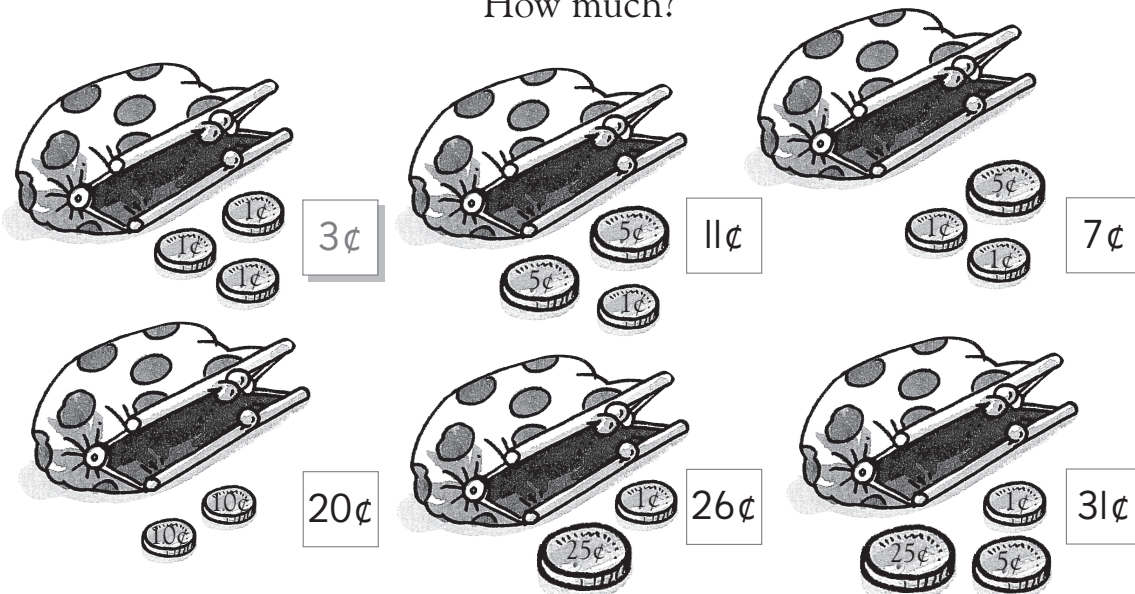

Money

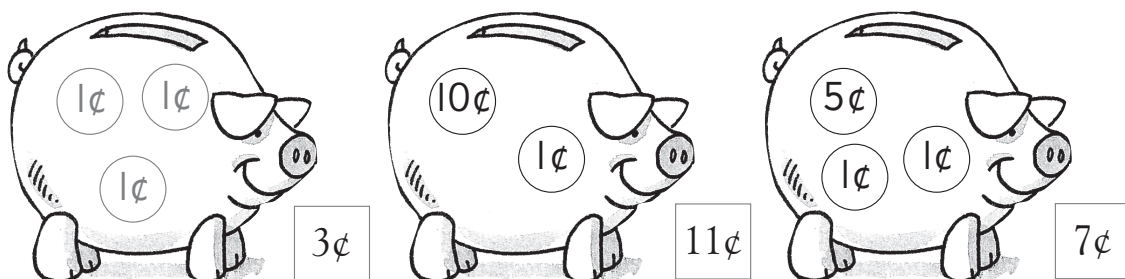

Which coin?

How much?

Put the correct coins in the piggy bank.

In the last activity, a number of combinations could be correct, and it might be helpful to re-count the amounts with children. For example: 1¢ 1¢ 1¢ 1¢ 1¢ 1¢ 1¢ or 5¢ 1¢ 1¢. Encourage children to use fewer coins when possible.
