

Telling time

Draw the hands on the clock
to show 5:20.

Draw the hands on each clock to show the time.

Telling time

Draw the hands on the clock to show 5:20.

Draw the hands on each clock to show the time.

If children are not familiar with the minutes on the clock face, have them count by 5s from the 12 o'clock mark. Children need only draw the hour hands in an approximate position between the correct numbers.
