

10 more or 10 less

Draw a line to add 10 to each number on the rocket.

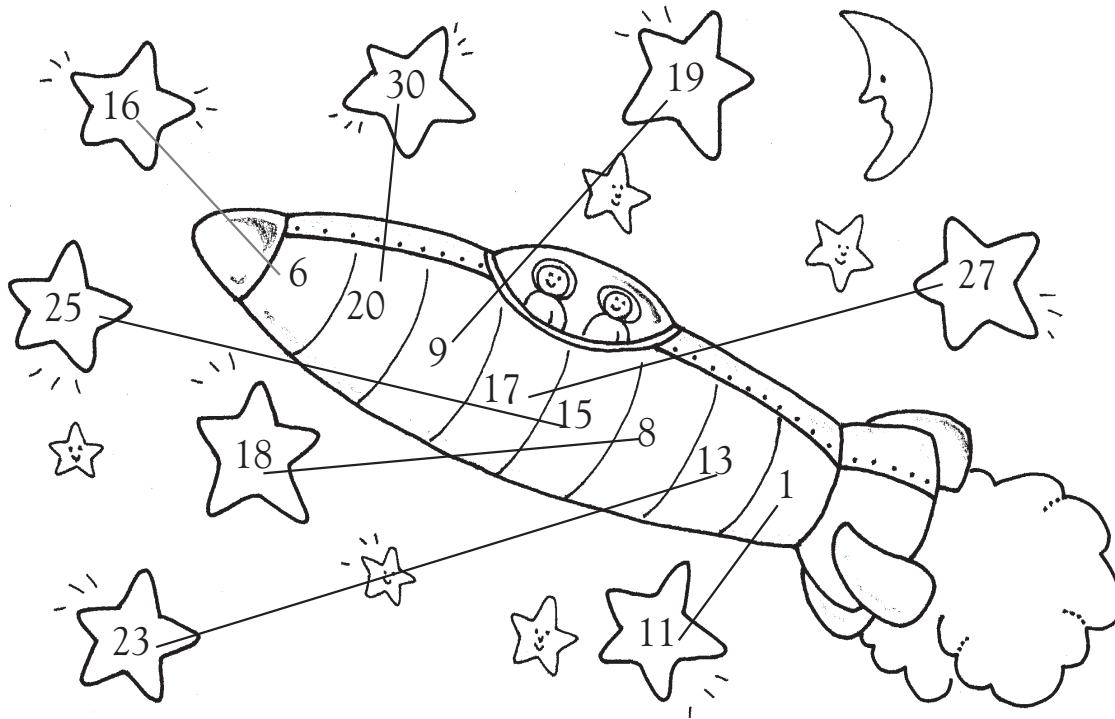

Draw a line to subtract 10 from each number on the rocket.

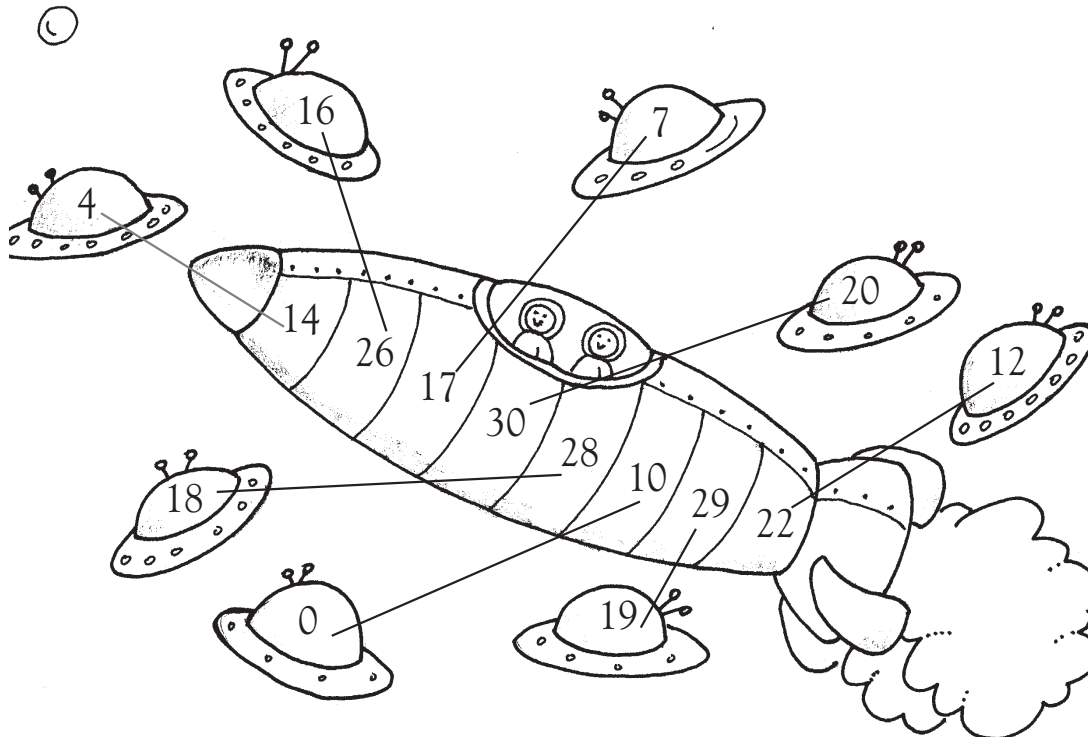

10 more or 10 less

Draw a line to add 10 to each number on the rocket.

Draw a line to subtract 10 from each number on the rocket.

Make sure children understand that when they add 10 or subtract 10, they must work with the tens. Familiarity with “10 more” and “10 less” will help to develop the ability to do mental math.
