

Digital clocks

Write the times under the clocks.

half past 12

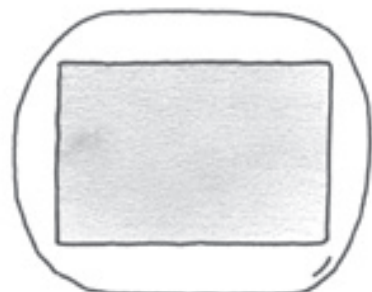

Fill in the digital times on the clock faces.

half past 11

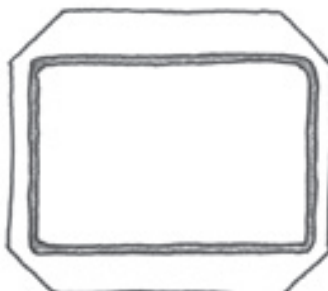

half past 1

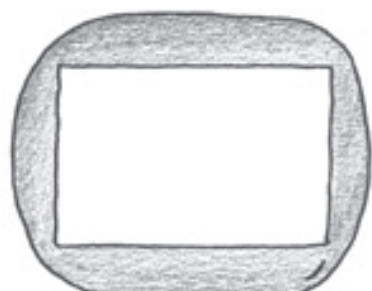

12 o'clock

half past 3

8 o'clock

10 o'clock

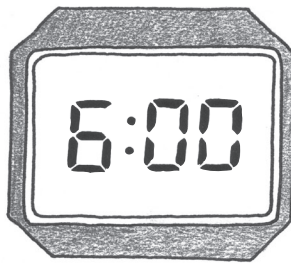

Digital clocks

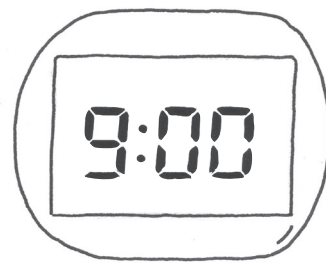

Write the times under the clocks.

half past 12

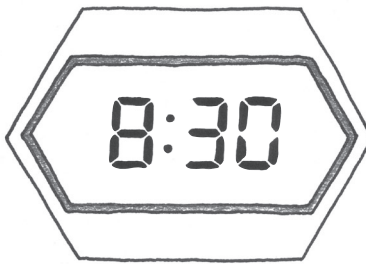

6 o'clock

9 o'clock

half past 10

half past 8

5 o'clock

Fill in the digital times on the clock faces.

half past 11

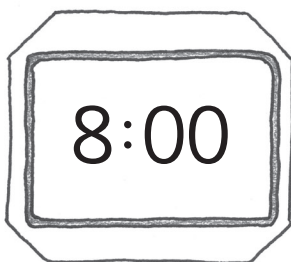

half past 1

12 o'clock

half past 3

8 o'clock

10 o'clock

Watch out for confusion between the digital versions of 5 and 2. Point out to children that the start positions of both digital and regular numbers are the same.
