Adding

Write the answer between the lines.

```
        324          1 1            1
       + 152        537          608
       ─────       + 164        + 549
        476        ─────        ─────
                    701          1157
```

Write the answer between the lines.

```
   560       342       329       253       607
  + 361     + 450     + 624     + 553     + 349
  ─────     ─────     ─────     ─────     ─────

   273       117       721       308       822
  + 265     + 483     + 195     + 500     + 103
  ─────     ─────     ─────     ─────     ─────

   220       491       560       709       312
  + 163     + 299     + 340     + 168     + 312
  ─────     ─────     ─────     ─────     ─────

   805       380       160       626       725
  + 191     + 461     + 175     + 302     + 125
  ─────     ─────     ─────     ─────     ─────
```

Write the answer between the lines.

```
   738       607       826       591       450
  + 480     + 523     + 372     + 537     + 935
  ─────     ─────     ─────     ─────     ─────
```

Adding

Write the answer between the lines.

```
            1 1              1
  3 2 4     5 3 7          6 0 8
+ 1 5 2   + 1 6 4        + 5 4 9
  476       701           1157
```

Write the answer between the lines.

```
  5 6 0     3 4 2     3 2 9     2 5 3     6 0 7
+ 3 6 1   + 4 5 0   + 6 2 4   + 5 5 3   + 3 4 9
  921       792       953       806       956

  2 7 3     1 1 7     7 2 1     3 0 8     8 2 2
+ 2 6 5   + 4 8 3   + 1 9 5   + 5 0 0   + 1 0 3
  538       600       916       808       925

  2 2 0     4 9 1     5 6 0     7 0 9     3 1 2
+ 1 6 3   + 2 9 9   + 3 4 0   + 1 6 8   + 3 1 2
  383       790       900       877       624

  8 0 5     3 8 0     1 6 0     6 2 6     7 2 5
+ 1 9 1   + 4 6 1   + 1 7 5   + 3 0 2   + 1 2 5
  996       841       335       928       850
```

Write the answer between the lines.

```
  7 3 8     6 0 7     8 2 6     5 9 1     4 5 0
+ 4 8 0   + 5 2 3   + 3 7 2   + 5 3 7   + 9 3 5
  12 18     1 130     1 198     1 128     1385
```

All of the addends are three-digit numbers. In the final section, children must regroup to make thousands.
