Number wall

Write all the odd numbers. ☐ ☐ ☐

Add them up and write the total. ☐

Write all the even numbers. ☐ ☐ ☐

Add them up and write the total. ☐

Find three numbers that add up to make 13. ☐ + ☐ + ☐
Write the smallest number. ☐   Double it. ☐

Write the largest number. ☐   Find $\frac{1}{2}$ of it. ☐

Find two ways of making 10. ☐ + ☐ = 10   ☐ + ☐ = 10

Add up all the numbers on the wall. ☐ + ☐ + ☐ + ☐ + ☐ + ☐ = ☐

Number wall

Write all the odd numbers. | 3 | 5 | 7 |

Add them up and write the total. | 15 |

Write all the even numbers. | 4 | 6 | 8 |

Add them up and write the total. | 18 |

Find three numbers that add up to make 13. | 6 | + | 4 | + | 3 |

Write the smallest number. | 3 | Double it. | 6 |

Write the largest number. | 8 | Find $\frac{1}{2}$ of it. | 4 |

Find two ways of making 10. | 6 | + | 4 | =10 | 7 | + | 3 | =10 |

Add up all the numbers on the wall. | 6 | + | 5 | + | 8 | + | 3 | + | 4 | + | 7 | = | 33 |

Help children look for "easy options" when adding, for example, adding 4 and 6 to make 10 to which 8 can be added. Ask them to find other such addition pairs.
